CANAL AREA TRANSPORTATION STUDY (CATS)

**LEGEND**

- Study Area
- Garbage Problem Area
- Enforce Vendor Regulations in Order to Improve Pedestrian Flow

**GENERAL RECOMMENDATIONS (NOT PORTRAYED ON MAP):**

- Establish a consistent policy on locating street vendors (no consistent policy since 9/11/01).
- Remove non-functional fire hydrants.
- Clean streets more frequently.
- Enforce the law directing business owners to regularly wash their storefront sidewalks.
- Increase the number of garbage cans on the street and the frequency of garbage collection.
- Repair streetlights in a timely manner.
- Reduce number and length of street closings (in conjunction with the Mayor's Community Assistance Unit).
