Travel Patterns in the New York Metropolitan Area provides an overview of regional travel patterns. Data was collected from the agencies operating each facility. The information in this report is meant to provide a regional overview at-a-glance. Regional travel patterns may change for a variety of reasons, including economic changes, service disruptions, construction, weather conditions or seasonal travel variations. More specific details may be available directly through the facility operator. This quarterly brochure was compiled by NYMTC, a regional association of governments, transportation providers and environmental agencies representing New York City, Long Island and the lower Hudson Valley.
