Northern Westchester East-West Corridors Study

Contract No. C004308

NYMTC, through its administrative host, NYSDOT, is releasing this Non-Architectural/ Engineering RFP to seek services from a responsive and responsible Consultant (or team of consultants) to undertake a Planning and Environmental Linkages (PEL) Study centered on the east-west transportation corridor in northern Westchester County which contains the Bear Mountain Parkway, Route 6, Route 35, and Route 202/35. The estimated contract start date is November 15, 2025.

For this specific procurement, NYSDOT has established a Disadvantaged Business Enterprises (DBE) participation goal of 14.85%. Meaningful participation by either a prime consultant who is certified as a [New York State Unified Certification Program \(NYSUCP\)](#) DBE or inclusion of subconsultant(s) who is/are certified as a NYSUCP DBE count towards the DBE participation goal.

Once available, a full description of the RFP and its requirements will be posted to NYMTC's and NYSDOT's respective websites at the following locations:

- <https://www.dot.ny.gov/business> and click on "Consultant Service Opportunities" then click on the date associated with **C004308** (available after the release of the RFP)
- <https://www.nymtc.org/UTILITY-MENU/Doing-Business/Current-RFPs>

The proposal due date of May 27, 2025, 2 PM is subject to change.

Procurement Lobbying Law Compliance:

Under the requirements of the State Procurement Act, communications regarding the advertised project/procurement may only occur through the Designated Contact(s). Communications exempted from this restriction are participation in a pre-proposal webinar/conference and any protests or complaint of improper conduct or misrepresentation. See also:
