

ON-LINE WORKSHOPS!

NYMTC's Coordinated Public Transit-Human Services Transportation Plan

We've scheduled two on-line workshops for those who weren't able to attend our recent schedule of in-person workshops held throughout NYMTC's planning area. These workshops will be an additional opportunity to share your ideas on how to meet the transportation needs of seniors and individuals with disabilities

The Coordinated Plan identifies the transportation needs of individuals with special transportation requirements, provides strategies for meeting these needs, and prioritizes transportation services and improvements for funding and implementation.

Join us online to...

- Identify gaps in transportation service in your area
- Provide input on existing transportation services
- Identify the needs for people in your community
- Help develop strategies to meet those needs
- Develop actions that would be eligible for federal funding

You can also share your comments, ideas, and suggestions by emailing nymtc@ingroupinc.com.
