FROM: Debra A. Nelson, Assistant Director 
SUBJECT: State Fiscal Year (SFY) 2019-2020 UPWP Administrative Modification
DATE: November 20, 2019

This is to inform you that a SFY 2019-2020 UPWP Administrative Modification has occurred.

Details of the modification are:

New York City Department of Transportation has added \$52,368 to the Data Management project (PTDT19D00.E02) due to higher than expected costs. Funds have been reprogrammed from SFY 2018-2019 projects which were completed at lower cost than expected.

This action has been taken as administrative modification since the funding modification of the affected project is not greater than 10% of the total cost of the project, and there are no changes to the scope of work.

This is not a UPWP amendment, therefore, no formal action will be required by the PFAC.

Should you have any questions, please contact Seitu Allen (212) 383-1885.
