

New York Metropolitan Transportation Council

A Coordinated Public Transit-Human Services Transportation Plan for the NYMTC Area

June 2009

New York City
Volume I: Final Plan

Contract No. 0000776

The preparation of this report has been financed in part through grant[s] from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the State Planning and Research Program, Section 505 [or Metropolitan Planning Program, Section 104(f)] of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation.

Table of Contents

	Page
Volume I: New York City – Final Plan	
Chapter 1. Project Overview	1-1
Introduction	1-1
Plan Organization	1-1
SAFETEA-LU Planning Requirements	1-3
Federal Coordination Efforts	1-6
Federal Inter-Agency Coordinating Council on Access and Mobility	1-6
Chapter 2. Project Methodology	2-1
Community Transportation Service Provider Workshops and Community Open Houses	2-1
Data Collection	2-4
Needs Assessment	2-5
Strategy Identification & Prioritization and Final Plan	2-6
Chapter 3. Overview of New York City	3-1
Introduction	3-1
Profile of New York City	3-1
Profile of the Bronx	3-6
Profile of Brooklyn (Kings County)	3-11
Profile of Manhattan (New York County)	3-16
Profile of Queens	3-23
Profile of Staten Island (Richmond County)	3-30
Chapter 4. Transit Services, Taxis and Community Transportation Services	4-1
Introduction	4-1
Regional Providers	4-1
Public Transportation: Borough Perspective	4-17
Overview of Community Transportation Services	4-31
Community Transportation: Borough Perspective	4-37
Chapter 5. Demographic Profiles of the Target Populations	5-1
Introduction	5-1
Definitions and Methodology	5-1
New York City	5-3
The Bronx (Bronx County)	5-9
Brooklyn (Kings County)	5-22
Manhattan (New York County)	5-35
Queens (Queens County)	5-48
Staten Island (Richmond County)	5-61
Chapter 6. Major Destinations and Activity Centers	6-1
Introduction	6-1
New York City	6-1
Bronx (Bronx County)	6-2
Brooklyn (Kings County)	6-7
Manhattan (New York County)	6-12
Queens (Queens County)	6-17
Staten Island (Richmond County)	6-21

Table of Contents

	Page
Chapter 7. Unmet Needs and Service Redundancies	7-1
Introduction	7-1
Available Transportation Services and Service Gaps.....	7-1
Service Gaps and Unmet Needs in New York City.....	7-4
Bronx (Bronx County)	7-5
Brooklyn (Kings County)	7-6
Manhattan (New York County)	7-7
Queens (Queens County).....	7-7
Staten Island (Richmond County).....	7-7
Summary of Focus Groups.....	7-8
Summary of Key Findings.....	7-18
Chapter 8. Identification of Coordination Strategies.....	8-1
Introduction	8-1
Summary of Unmet Needs	8-1
Strategies for New York City.....	8-2
Chapter 9. Implementation Priorities New York City.....	9-1
Mobility Management.....	9-2
Taxi/Community Car Subsidy Program	9-8
Travel Training.....	9-10
Transit Service Expansion and Improvements	9-12
Vehicle Acquisition.....	9-13

Volume II: New York City – Appendices

- Appendix A: Annotated Literature Review**
- Appendix B: Summary of Stakeholder Interviews Report and Guide**
- Appendix C: Stakeholder / Public Involvement (*includes documents used for stakeholder/ general public outreach effort associated with the development of this plan*)**
- Appendix D: Survey Instrument and List of Organizations Contacted & Respondents**
- Appendix E: Survey Report**
- Appendix F: Detailed Description of Inventoried Community Transportation Programs/Services**
- Appendix G: List of Accessible Transit Stations**
- Appendix H: Bibliography of Best Practices**
