About NYMTC

NYMTC is the federally mandated council of governments that directs the use of billions of dollars in federal transportation funds for New York City, Long Island, and the Lower Hudson Valley.

As the area's Metropolitan Planning Organization (MPO), NYMTC provides a collaborative planning forum that addresses transportation-related issues and develops regional plans and goals through a shared vision for the region's transportation network.

NYSDOT's "Access for All" Program Highlighted in May Brown Bag Webinar

NYMTC's Brown Bag webinar on May 28 featured a presentation from the New York State Department of Transportation (NYSDOT's) Landscape Architecture Bureau and its "Access for All" Program. The presenters shared information about accessible design within the public right of way, updates to the latest NYSDOT accessibility standards, and best practices that go above and beyond to achieve accessibility.

April PFAC Showcases C2SMART Presentation on Predictive/Proactive Traffic Safety

As smart city technologies continue reshaping the urban landscape, new challenges make achieving Vision Zero goals more complex than ever. As part of NYMTC's April 16 PFAC meeting, NYU's C2SMART Center gave a presentation on scalable, deployable, predictive, and proactive safety solutions aimed at helping planners and engineers identify/address safety-critical locations before crashes occur.

9-11 Scholars and Their Mentors Visit NYMTC

On June 1, students in the 2025-2026 cohort of NYMTC's 9-11 Memorial Fellowship Program and their mentors met at NYMTC to talk about the students' projects, careers, and lives, and learn more about NYMTC's role in transportation planning. This September, we'll be hearing the cohort's fellowship presentations – a can't miss event scheduled for September 9.

Stay tuned for more info and read an overview of the fellows' June visit at NYMTC from our executive director: <https://bit.ly/4gmtJRL>

Stay Connected

Stay connected to your region! There are a number of ways you can continue to learn more about transportation events and investments in the NYMTC region:
