NYMTC's Program, Finance and Administration Committee Hears Presentation on FreightNYC, New York City's Latest Comprehensive Freight Plan

Resolutions adopted for the 2018 Title VI Program, and the 2018-2045 Regional Transportation Plan among others

NEW YORK – “Today we learned more about NYC’s efforts to reduce over-reliance on trucks for freight distribution. FreightNYC lays out a \$100 million multi-modal investment strategy to support increased freight distribution by rail, maritime, and cleaner trucks,” said NYMTC Executive Director Jose M. Rivera.

Following this presentation, NYMTC staff introduced a series of resolutions for PFAC consideration. The Committee adopted each of the following resolutions:

- Setting urbanized area targets and supporting statewide targets for performance measures related to asset conditions and system performance

- Update of NYMTC's 2014 Title VI Program to reflect new information from the 2018-2045 Regional Transportation Plan (Plan 2045) and 2017 Congestion Management Status Report
- Distribution of suballocations of the Federal Fiscal Year (FFY) 2018 Federal transit funding
- Amendments to the FFYs Plan 2045 to maintain fiscal constraint
- Amendments to the State Fiscal Year (SFY) 2018-2019 Unified Planning Work Program (UPWP)

Upcoming Meeting: NYMTC's next Program, Finance and Administration Committee Meeting is scheduled for **Thursday, October 18th, 2018.**

About the New York Metropolitan Transportation Council

The New York Metropolitan Transportation Council (NYMTC) is a regional council of governments that is the Metropolitan Planning Organization for New York City, Long Island and the lower Hudson Valley. NYMTC provides a collaborative planning forum to address transportation-related issues, develop regional plans and make decisions on the use of federal transportation funds for its planning area. NYMTC is comprised of nine voting members and seven advisory members who develop plans, goals and a shared vision for the region's transportation network, which includes a planning area that covers 2,440 square miles and includes a population of 12.4 million, which was approximately 64% of New York State's population, based on the 2010 Census.
